Dear Student Organization Representative:

Student organizations play an extremely important role at Touro Law Center. They provide educational, social and leadership opportunities that enhance the learning experience for law students, and contribute to the vibrant intellectual and social life of the school.

This Handbook has been prepared to assist you with the various administrative tasks that are an inevitable part of student organizational life. Please take the time to read it carefully. Of course, you should always feel free to stop by the Office of Student Services (Room 302) to ask for assistance with any of these tasks.

I hope you find the information in this Handbook to be useful. Please feel free to contact me at mfuzia@tourolaw.edu with suggestions, comments or concerns.

I am here to help you in any way I can and I look forward to working with you this year.

Sincerely,

Marie Fuzia

The SBA is Touro Law Center’s student government and the umbrella organization for all student organizations at TLC. Among other things, it is responsible for allocating funds to student organizations. The Student Activity Fee is the primary source of revenue from which student groups are funded. The SBA treasurer has primary responsibility for handling those funds and distributing them to student organizations in accordance with the SBA Constitution (See Appendix B, page 14) and By-Laws (See Appendix C, page 20). In order to obtain an allocation of funds, student organizations must submit a budget request to the SBA each semester and follow all SBA budget guidelines. (See Finances and Budget Information)

**Catering Services**
Phone: (631) 761-7171

It is the policy of Touro College and the Law Center that all food served at Touro events, regardless of the source of funding, must be Kosher and obtained from school-approved sources. The following policies and procedures govern food service at Touro events on and off campus.

On-Campus Food Policy:
All food served on campus, however it is paid for (i.e., whether school funds, SBA or student organization budgets, or by an outside group such as a bar review course), must be ordered through the school’s caterer. On occasion, they may not be able to fulfill an order. In such case, food may be brought in from an off-campus vendor. However, in this case, the food must be Kosher, and advance permission must be obtained from the Director of Student Services and the Campus Rabbi (the latter as to the source of the food). Non-Kosher food may be served on campus only with the advance permission of the Director of Student Services, which will be granted sparingly, normally for school-wide events of a cultural nature such as an international food night. In such cases, permission will be subject to restrictions, including the type and source of food, the availability of Kosher alternatives, and the prominent placing of signs near the non-Kosher food so indicating, and, near the Kosher food, indicating the source of the food and the identity of the certifying organization. Requests to serve non-Kosher food should be directed to
the Office of Student Services. In addition, with the advance permission of the Office of Student Services, individual student organizations may conduct one-day fundraising bake sales in a designated location of the cafeteria. In such cases, permission will be subject to restrictions, including that the products sold must be limited to home-baked (not store bought) cakes, cookies, pies and other dessert items, and the prominent placing of signs near the non-Kosher food so indicating. The only store bought food permitted at bake sales should be Kosher dessert items that cannot be baked by the student(s).

Off-Campus Food Policy:
All food served off campus, if paid for in whole or part with institutional funds, must be Kosher and obtained from a source approved by the school. Non-Kosher food paid for in whole or part by institutional funds may be served off campus only with the advance permission of the Director of Student Services, which will be granted sparingly, normally for school-wide events of a cultural nature. In such cases, permission will be subject to restrictions, including the type and source of food, the availability of Kosher alternatives, and the prominent placing of signs near the non-Kosher food so indicating, and, near the Kosher food, indicating the source of the food and the identity of the certifying organization.

The above rules applicable to off-campus food do not prohibit the serving of incidental snacks or finger foods at an SBA or student organization function held at an off-campus location which are not paid for by the SBA or student organization.

**Faculty Advisors**
Many student organizations have a faculty advisor. This advisor is an invaluable resource who can provide guidance about events, speakers and other important matters. If your organization does not currently have a faculty advisor and would like one, please stop by the Office of Student Services and speak with Marie Fuzia.

**Use of Touro Logo**
Organizations wishing to use the Touro logo on any printed materials, including posters, stationary, plaques, invitations and the like, must first obtain approval from Marie Fuzia.

**II. Communications**

**Mailboxes**
Every student organization has a mailbox in the concourse. Please check your mailbox on a daily basis, and be sure to have someone check for mail during the summer.

**Desk Space**
Student organizations have desks in the student organization area located in the concourse. If you would like to request a desk for your organization, please see Marie Fuzia.

**Telephones**
Student organizations may have a dedicated phone number, with voicemail. If you do not have a phone line, and would like one, please speak with Marie Fuzia. Please remember that the phones in the student organization area may only be used for student organization purposes. Telephone records are checked periodically to ensure that this privilege is not abused.

**SBA E-mail**
The SBA sends a weekly e-mail announcement on behalf of student organizations to the student body. Sending announcements to the SBA for posting is simple. Student leaders may send an e-mail to touro-sba@tourolaw.edu. In the subject line of the e-mail, please write “SBA: (Event or E-mail Subject).” The SBA will then post the message to the students. Please note that student organizations must send their announcements by noon on Fridays.

***Important*** Each group should designate specific individuals with primary responsibility for checking the group’s mailbox, e-mail and voicemail.
III. Planning, Publicizing and Holding Events or Meetings
The Student Services staff is here to help you with the event planning process. We can help you find speakers, and provide other forms of assistance during the early planning phases. You should also consult with your faculty advisor about the content of your proposed programs. Friday evening events are not permissible because it doesn’t allow the entire Touro Law community to attend due to the Sabbath holiday.

Many student organizations hold on-campus events throughout the school year, usually during the Common Hour periods when no classes are scheduled. Common Hours for the 2014-15 academic year are Tuesdays and Thursdays, 12:30-1:25 p.m. For evening meetings/programs, please check the class schedule to see what time works best for your group. In order to facilitate the coordination of these events, and to minimize the likelihood of scheduling conflicts, we ask each organization to adhere to the following event scheduling guidelines.

Weekend Events
Touro is closed for the Jewish Sabbath beginning on Friday afternoon and continuing on Saturday. Therefore, no Touro sponsored events may be held on Friday evenings or Saturday until after sundown.

Scheduling an Event or Meeting
In order to schedule an event, a representative of the student organization should complete an Event Scheduling Form (See Appendix D, page 38), and submit the form for approval to Marie Fuzia. Forms should be submitted at least two weeks in advance. Copies are available from the Office of Student Services. Submitting this form places your event on the Law School’s calendar, and also generates a listing for the event in The Touro Times, and on the electronic information screens that list daily events. Please fill in the form completely, and be sure to provide current contact information so we can reach you if necessary. If the event date has been approved, a signed copy of the form will be returned to your organization’s mailbox. If you decide to cancel an event, please provide sufficient notice, especially if you requested a specific setup or food. If you need to cancel a food order, you must let Marie Fuzia know three (3) days in advance, otherwise you will be responsible for the cost of the order. If you find out the night before that you need to cancel a food order, you can try contacting the school’s caterer directly at (631) 761-7171 to see if they can accommodate your request.

Planning an Event
Early planning is usually critical to the success of any on-campus event. Because so many groups schedule on-campus events during Common Hours, the Office of Student Services may request that you select an alternative date if the one you have selected has already been booked by one or more other groups. (Bear in mind that even with this advance planning, there is no guarantee that there will not be another event at the same time.)

In addition, if you are planning an event at which you would like the Dean to be present (e.g. a banquet, roundtable discussion or similar event), you must clear the date well in advance (generally at least 2 to 3 months) with Dreena Kutch, the Dean’s assistant. Please see Section V (page 8) of this Handbook for more information on planning off-campus events such as banquets, etc.

Publicizing Events
There are many ways to publicize an upcoming student event to the TLC community!

The Office of Student Services lists events, for which Event Scheduling Forms have been submitted, in The Touro Times and on the electronic information screens posted throughout the building. Student groups can also write short descriptions of their events for inclusion in The Touro Times; please e-mail those descriptions to studentservices@tourolaw.edu, or include them in your Event Scheduling Forms. Announcements for the Touro Times should be submitted by Friday at 1 p.m., the latest, to appear in the following week’s edition.

Organizations may also post information about upcoming events to members of the student body through the SBA weekly e-mail announcement. (Please see page five (5), section II for further information.)

Is there an artist on your e-board? Ask a talented classmate to prepare a poster announcing your program. Posters can be displayed in designated areas throughout the Law Center, including the first floor hallway leading to the cafeteria, and on bulletin boards on the concourse and third floor.
Policy Regarding Commercial Vendors
Pursuant to TLC policy, student organizations may not sponsor any group that solicits funds at the TLC for products or services, without prior permission from Marie Fuzia.

Touro Law Center Alcohol Policy
Please see Appendix A, page 10 for the Alcohol Policy. All requests for alcohol to be served on campus must be made at least one month prior to the event or program. The on-campus caterer requires one month of notice in order to receive a temporary liquor license. The license costs $48 per event and will be charged to the student organization requesting the alcohol.

IV. Finances and Budget Information
As noted above, student organization budgets are determined by the SBA at the beginning of every academic year, in accordance with SBA budget guidelines. The SBA will not reimburse individuals or organizations for activities or events for which the SBA has made no allocation. Check your approved budgets carefully before holding an event and requesting reimbursement.

If your organization desires additional funding for conferences, one student representative should submit the request to the SBA. For more information regarding the process of requesting additional funding for conferences, see Appendix F, page 40.

All student groups interested in participating in a moot court or mock trial competition should reach out to Associate Dean Myra Berman (mberman@tourolaw.edu) to find out if the competition qualifies for funding through the Law Center’s competition budget. If the competition does not qualify, one student representative should submit a request for funding to the SBA. See Appendix G, page 41 for information regarding the process of requesting additional funding for competitions.

It is important to take the time to read the following guidelines. The rules are in place to ensure that student funds -- your funds -- are handled with appropriate care. If you have any questions, just ask for help.

Policy Regarding Off-Campus Bank Accounts
Touro Law Center policy strictly prohibits off-campus accounts for student organizations. In addition, all funds collected by a student organization must be held by the SBA.

Developing a Budget
Organizations should look to their previous year’s budget as a guide to determine their budget for the upcoming year. Please keep in mind the costs of postage, catering, transportation, etc. that are often necessary for various events when determining your budget proposal. If you recently started a new organization, you should request a sample budget from the SBA.

Accounting Requirement
Each organization’s treasurer is responsible for keeping accurate records of the organization’s financial transactions. Each treasurer is responsible for providing an end-of-the year accounting to the Office of Student Services if requested. This accounting should list, in detail, the specific expenses for which the organization spent its money during the year. It should also include all collected funds from fundraising, donations, etc.

Procedures for Reimbursement
Funds are not available for cash withdrawals – only for the reimbursement of specific organization-related expenses. To receive a reimbursement or to pay an outstanding invoice from your SBA account, students must submit original receipts and a Check Request Form (See Appendix E, page 39) to the Student Bar Association Treasurer. For conferences and/or competitions, each student should request their own reimbursement. Once the SBA has approved the expense, the request will be brought to Marie Fuzia for further approval.
Policy Regarding Contracts
All contracts between a student organization and an outside vendor must be submitted for review, approval and signature, to the Office of Student Services. **Students may not sign contracts on behalf of an organization.**

Please keep in mind that the contract review process may take some time, and may require additional documentation (such as licenses or insurance certificates). Please allow at least two weeks for contracts to be reviewed and signed. **All proposed contracts must be brought to the Office of Student Services, which will arrange for review by counsel on behalf of the Law Center.** When approved, copies of the signed contracts will be placed in the appropriate student organization mailboxes.

V. Off-Campus Events (dinners, etc.)
Some organizations hold major off-campus events, such as banquets, roundtable dinners, and the like, during the school year. Because these events are generally more expensive and elaborate than the events held on-campus, they require greater advance planning and coordination.

Setting the Date
- Set the date as early as possible to avoid scheduling conflicts.
- Clear the date with Marie Fuzia (and with Dreena Kutch, Assistant to the Dean, at (631) 761-7103 if you would like the Dean to attend).
- Complete an Event Scheduling Form and submit it to Marie Fuzia for approval.
- Submit your unsigned contract to Marie Fuzia at least 8 weeks in advance of the event date. This contract will be reviewed and forwarded to Ken Rosenblum for approval and signature. Students may not enter into a contract on behalf of their organization.

Working within a Budget
Keep in mind that you are limited to the funds allocated to your organization by the SBA, unless your organization has fundraised and collected additional money. Please note that certain types of events may not be funded by the SBA. Please consult the SBA Constitution and By-Laws for specific details.

Expenses that you may incur: printing (invitations, programs), postage (outside envelope & return envelope), caterer/restaurant, photographer, gift or fee for keynote speaker, miscellaneous tips, entertainment, etc.

Payments
To prepare a check for a vendor in advance of an engagement date, a fully executed copy of the contract between the vendor and TLC must accompany your request. Please remember that the contract review and approval process takes approximately several weeks. Also, please note a request for a check may take up to 2 weeks to process. **THEREFORE, if you would like to have a check prepared for a vendor before the date of an event, you must start the contract review process at least 8 weeks in advance of the event date.**

Guest Lists for Programs
- Consult your faculty advisor for potential invitees and keynote speakers.
- Contact the Alumni Office for a list of addresses for invited alumni. (If any invitations are returned due to incorrect addresses, please bring them to the Alumni Office.)
- Give a copy of the list of honored guests to the Dean at least 2 days prior to the event (i.e. judges and government officials - include first name, last name and title). Give the Dean a revised list on the night of the event to confirm which honored guests are actually in attendance.

Printing Invitations
- TLC’s graphic designer can create professional-quality materials such as invitations and response cards free of charge. (However the cost of duplication will be born by the student organization.) Before Marie Fuzia contacts the graphic designer:
- Determine the style of your invitation. Refer to invitations from previous student organizations’ events. Choose one that is simple and less costly. I suggest a one-sided 5” x 7” card or a 4” x 6” folded card.
• Mark-up a similar invitation from previous events. Also, prepare a typewritten copy of the new text for your invitation. Be sure to set the R.S.V.P. date for approximately 7 days in advance.

• A copy of all printed material should be brought to Marie Fuzia who will review it and submit it to the graphic designer. **Allow three weeks for the graphic designer to review the materials, create an invitation and return it to you.**

**Seating Arrangements**

• Protocol requires that the Dean be seated with the keynote speaker and other honored guests. This table should be physically located in the center of the room and/or near the podium. As a general rule, faculty, administration, and students should be interspersed among judges and honored guests. It is best to avoid separate tables of any one group.

• Prepare the seating chart a few days before the event.

• Prepare the table cards the day before the event.

• Bring the guest list, seating chart, and blank table cards on the night of the event.

• Prepare for “no shows” and unexpected guests - revise the seating chart/table cards as guests arrive.

**Other Useful Information for Off-Campus Events**

• In order to publicize the event, please submit information for inclusion in *The Touro Times* to the Office of Student Services.

• Make arrangements to have photographs taken at your event.

• Determine Kosher and vegetarian meal requirements and alert the caterer.

• A few days before your event, confirm all arrangements - caterer, photographer, entertainment, etc.

• If you have a guest speaker or a panel of guest speakers at your event, always make sure that there is a pitcher of water and plastic cups on the podium and/or table.

• Arrangements for audio/visual equipment (microphone, DVD player, overhead projector, etc.) for events taking place in the Law Center can be made with the Information Technology Department. You should contact the department at least two weeks in advance of your event.

• If you are honoring a person who has passed away, the proper way to word this on the invitation is “in memory of” not “in honor of.”

• If your event requires a registration/“check-in” table, you should arrange to have “skirts” for the tables. If the event is off-campus, let the restaurant/catering hall know that you will require a registration table and that it should be “dressed.”

• If your event is held in a restaurant/catering hall, it is customary to tip either the Head Waiter or the person who is in charge the night of the event. Unless you are completely dissatisfied with the service that you receive at your event, generally an appropriate amount to tip the Head Waiter or person in charge is $1.50-$2.00 per person in attendance. For example, for a party of 100 people, the Head Waiter should be given a $150-$200 tip. You may choose to hold some of the cash received from ticket sales to use for the tip money.

**Checklist**

The following is a checklist of the items that you may want to bring with you to your event:

- ☐ camera and charger
- ☐ contract for restaurant/catering hall
- ☐ copy of all check requisitions for all monies already paid

ALCOHOL POLICY

Touro Law Center is committed to the ongoing development of a community based on respect for the individual and compliance with the policies of the College and the laws of the city, state and nation. One’s presence at the Law Center, or any function associated therewith, requires compliance with the laws and standards of behavior of the community. The goal of the alcohol policy is to foster alcohol awareness and responsible drinking practices and promote the health and safety of the members of the Law Center community. The Law Center seeks to encourage a professional social life that does not emphasize the role of alcoholic beverages in either private or group activities. Within this community, the Law Center will attempt to take reasonable steps to insure that no illegal or excessive consumption of alcohol occurs on its property or at its institutionally sponsored activities.

Regulations Regarding Alcohol Use

The regulations contained in this policy apply to all Touro Law Center students. The Law Center’s Alcohol Policy is in effect throughout the calendar year. The policy is uniformly applied to all student / student organization run events where alcohol is being served.

1. Alcohol consumption may not be interpreted as the sole function of any Student Bar Association (SBA) or Student Organization event. Any on-campus promotion such as posters, emails, etc. may not focus on the consumption of alcohol. Therefore, advertisements may not include “free bar,” “free drinks,” “open bar” or similar inducements. You may state “food and drinks available or included,” “happy hour,” “beer and pizza,” “wine and cheese,” “drink specials,” etc. All event advertising must focus on the purpose or other aspects of the event (i.e. Barrister’s Ball, Fright Night, etc). The determination of whether an event’s sole focus is consuming alcohol will rest with the Office of Student Services.

2. Alcohol will not be permitted at all student organization events. Please check with Marie Fuzia before planning to serve alcohol at your event. If you do not receive prior approval, you will not be permitted to serve alcohol at your event. Students that are performing or speaking at an event may not drink.

3. All requests for alcohol to be served on campus must be made at least one month prior to the event or program. The on-campus caterer requires one month of notice in order to receive a temporary liquor license. The license costs $48 per event and will be charged to the student organization requesting the alcohol.

4. The Student Sponsor who is in charge of the event may not drink.

5. You may only serve beer and/or wine at Law Center events held on campus; no hard alcohol is permitted.

6. The Law Center prohibits open containers of alcohol outside of closed areas designated for a social event.

7. Alcohol may not be consumed and alcohol containers may not be possessed anywhere at the Law Center or at any Law Center function by anyone who is under the legal drinking age.

8. Persons of legal drinking age are not permitted to purchase, distribute, sell and or/procure alcoholic beverages for persons less than twenty-one (21) years of age, and for persons who are visibly intoxicated.

9. Public intoxication, including alcohol-induced disorderly conduct, property destruction, intimidation, or other infringement upon the rights or privacy of others is a violation of the alcohol policy and will not be tolerated. Furnishing alcohol (at the Law Center or at any College function off-campus) to persons, who appear to be intoxicated, is prohibited. Such conduct may be considered a violation of the Law Center Code of Student Conduct.
10. Campus events where alcohol is being provided to students must be hosted by the faculty/administration of the Law Center, the Student Bar Association, and/or a Student Bar Association recognized Student Organization. Such events are subject to the following restrictions:

The Student Bar Association (SBA) and SBA recognized Student Organizations

I. The Student Bar Association and Student Organizations may host and finance events in which alcohol is served. Such events are subject to the following restrictions:

a. The SBA and Student Organizations may host off-campus events where alcohol is served. Such events must be at private establishments who provide their own security and monitoring of alcohol consumption.

b. At any SBA or Student Organization event in which alcohol is served, non-alcoholic beverages as well as food must be made available to students.

c. For all on- and off-campus events, arrangements for safe rides/designated drivers must be available and conveyed to all students in an email, poster, or other form of communication.

II. Alcoholic beverages can be served at on-campus SBA and Student Organization sponsored events provided that the following are complied with:

a. All requests for alcohol to be served on-campus must be made at least one month prior to the event or program. The on-campus caterer requires one month of notice in order to receive a temporary liquor license. The license costs $48 per event and will be charged to the student organization requesting the alcohol.

b. Non-alcoholic beverages and food are made available to students.

c. The event has a primary purpose not directly related to the consumption of alcohol. Such purposes might include, but are not limited to: furtherance of the organization's mission and / or providing legal networking opportunities to students. See Regulations Regarding Alcohol Use, part 1.

d. At least one member of the Law Center Faculty or Administration will be attending the event as a Faculty Sponsor. The faculty or staff member must sign off on the event scheduling form indicating that s/he will be present for the duration of the event and will monitor student alcohol consumption. The Faculty Sponsor may not drink.

e. At least one member of the Organization hosting the event will be attending the event as a Student Sponsor. The Student Sponsor may not drink.

f. You must hire a staff member through the on-campus caterer to serve the alcohol. This is an additional charge.

g. Except as otherwise provided in these regulations, no student shall furnish alcoholic beverages to others at the Law Center or at any other Law Center function.

h. Because the actions of the students attending events sponsored by the SBA and Student Organizations reflect on the integrity of the Law Center, the Office of Student Services may place restrictions on the location of any SBA or Student Organization sponsored event in which alcohol is served if it is reasonably believed that hosting such events at a particular location could potentially cause harm to the reputation of the Law Center.
APPENDIX ONE: Enforcement Violations by Students

Students found in violation of the Law Center’s Alcohol Policy will be subject to disciplinary action at the discretion of the Conduct Review Committee and may be subject to sanctions under the Law Center Code of Student Conduct. Each case will be handled individually and considered on its own merits, with consideration given to the severity of misconduct as well as prior violations. These procedures do not take the place of criminal prosecution.

APPENDIX TWO: Requirements for Events that Include Alcohol in Law School Facilities

Before the approval of any event where alcohol is to be served, the SBA or Student Organization(s) sponsoring the event shall submit (in writing) the following to the Office of Student Services:

1. The name of at least one (1) member of the Law Center Faculty or Administration who will attend the event as a Faculty/Administration Sponsor. This person’s name should be included on the Event Scheduling Form submitted for the event or emailed to the Director of Student Services.
   a. The Faculty/Administration Sponsor shall be responsible for making sure that all Law Center policies are complied with at all times during the event. This person may not drink alcohol. All violations of Law Center policies must be reported immediately to the Office of Student Services.

2. The name of at least one (1) student member of each Student Organization sponsoring the event who will attend the event as a Student Sponsor. This person may not drink alcohol.
   a. The Student Sponsor shall be responsible for assisting the Faculty/Administrative Sponsor in enforcing any and all Law Center policies. This student may not drink alcohol.

3. Notify the on-campus caterer at least one month in advance that alcohol is being served on-campus (after receiving approval from the Director of Student Services) and that you need a server for the duration of the event. The on-campus caterer requires at least one month of notice to receive a temporary liquor license. These are additional charges.

4. The time that the event will begin and end.

5. The number of people expected at the event.

6. The amount of alcohol that will be appropriate for the event, and the non-alcoholic alternatives available at the event.

7. Arrangements for safe rides and/or designated drivers.

During any event where alcohol is to be served, the following procedures shall be followed:

1. The Faculty/Administrative Sponsor and Student Sponsor shall remain in attendance for the entire scheduled time of the event. The Sponsors may not drink;

2. Food and an alternate beverage must be served;

3. A server from the on-campus caterer must serve the alcohol for the duration of the event. This person may not drink;

4. No excess alcohol may be distributed to event attendees; and
5. After the commencement of an event, no additional alcohol may be obtained for the event without the express approval of the “Faculty/Administrative Sponsor” attending the event.

APPENDIX THREE: Policy Coverage

No policy can cover all possible situations that may arise. When this policy is not specific in a certain point, sponsoring groups are to conduct their activities in the spirit of social responsibility embodied in this policy. Sponsoring groups in violation of this policy’s intent will be subject to disciplinary action by the Conduct Review Committee and may be subject to sanctions under the Law Center Code of Student Conduct.

The responsibility for monitoring the alcohol policy must be shared by all students, staff and advisors. Permission to dispense and/or sell alcohol is experimental. If conditions are such that monitoring and student cooperation proves ineffective, alcohol will not be permitted.

Violations of Touro Law Center policies or civil law concerning alcoholic beverages or situations evolving directly or indirectly from the sale, consumption, distribution or transportation of alcoholic beverages will be handled within the framework of discipline developed by the Touro Law Center.

APPENDIX FOUR: Alcohol Awareness

Touro Law Center is committed to providing students, faculty, and staff with factual information about alcohol as well as confidential referrals for professional assistance in the event that they are needed. An awareness of the negative effects of alcohol consumption may assist you in your efforts to make safe and responsible choices about alcohol. We encourage a lifestyle that does not include alcohol abuse by providing and encouraging alcohol-free organizations and social activities.

Standards for School-Sponsored Travel to Regional and National Competitions
2014-2015 Academic Year

All student groups interested in participating in a moot court or mock trial competition should reach out to Associate Dean Myra Berman (mberman@tourolaw.edu) to find out if the competition qualifies for funding through the Law Center’s competition budget. If the competition does not qualify, one student representative should submit a request for funding to the SBA.

Requests for support of student organization officer attendance at a regional or national competition of a member organization should be made in accordance with the provisions of this memo.

1. Requests must be submitted in writing to Associate Dean Myra Berman by Friday, November 14, 2014 or the SBA at least three months prior to the anticipated trip. Exceptions to this rule may be made under extraordinary circumstances.

2. Not ALL students may participate in interschool competitions. There must be oversight for specific competitions by a full-time member of the faculty. There must be tryouts for the competitions, so that we know that our school will be competently represented. (We have a moot court, for which there are tryouts; we also have BLSA sponsored, ADR Society sponsored, and International Law sponsored competitions, for which there are tryouts. All are done under the supervision and advisement of faculty.)

3. If a student organization wishes to participate in a competition that falls under the Advocacy Program umbrella (Moot Court, Mock Trial, Alternate Dispute Resolution), and that competition was not part of the budget for the previous year, or perhaps has never been included in any budget, that organization must inform the Dean for Experiential Learning of their interest in a specific competition and of the costs that will be incurred by Friday, November 14 of the prior academic year. Thus, student organizations interested in sending a team to a competition during the 2015-2016 Academic Year must provide a written request to the Associate Dean for Experiential Learning by Friday, November 14, 2014 at 2 PM. Only then will we be able to allocate funds for this activity.

4. The request must include:
   • a copy of the competition registration form; a copy of the competition schedule; a detailed budget; a list of meals included in the competition registration fee; a list of student(s) seeking to participate in the competition and their organization titles; a statement explaining how attendance at the competition will promote the Law Center and the Law Center student organization; and a statement of the level of financial support being provided by the student organization and other outside entities.

5. Funding assistance will be considered only for student organizations that have been active at the Law Center for at least one year and have a proven record of contribution to law students and the Law Center community.

6. Students and student organizations seeking funding are expected to contribute a portion of the costs of attendance.

7. One representative from the organization should request funding for the competition.

8. Funding may be available to assist law students who have been elected to a national or regional office of their member organization. Funding is not available to support campaigning events.

9. Associate Dean Berman and the SBA will try to notify the students of the level of funding assistance within three weeks of the submission of the request for funding.

10. Airfare costs will be based on the lowest available internet fare.

11. The reimbursement requests must be accompanied by an original, detailed receipt for each item of expense included on the request. Only normal business expenses will be eligible for reimbursement. Meals, entertainment and alcohol expenses will not be reimbursed.

12. The request for reimbursement must be accompanied by a report about the competition and an outline of how the knowledge/information gained at the competition will be used to benefit the student organization and the Law Center. The reimbursement request will not be processed unless the report has been submitted.
